Professional Summary

Motivated and detail-oriented Frontend Developer with strong expertise in HTML, CSS, Tailwind, JavaScript, Python, and GSAP. Experienced in designing and developing responsive, user-friendly websites including eCommerce platforms that deliver seamless shopping experiences. Completed multiple personal projects to sharpen coding skills and developed a professional portfolio website for a client in 2024. Skilled in creating engaging animations and interactive UI elements to enhance user engagement. Committed to continuous learning and eager to contribute innovative solutions in a dynamic development environment.

Experience 2024

In 2024, I created a professional portfolio website showcasing my skills, projects, and expertise, which helped me effectively present my capabilities to clients. During the same year, I also developed a fully responsive and interactive website for a client, utilizing HTML, CSS, Tailwind, JavaScript, and GSAP for smooth animations and enhanced user experience. These projects allowed me to apply my learning in real-world scenarios and strengthened my frontend development skills.
